BROWNS SUPPORTS OUR COMMUNITIES

BROWNS elevate

“We rise by lifting others” – Robert Ingersoll

Every member of the BROWNS Family – teachers, trainers, students and friends – deserves the opportunity to enrich their Australian experience and contribute towards a better tomorrow.

The BROWNS Elevate Initiative embraces learning with purpose. In the classroom, the principles of Content and Language Integrated Learning bring pressing social issues to life; students develop empathy, intuitiveness and social consciousness alongside their language skills. Outside the classroom, the initiative harnesses these learnings with monthly student involvement in local non-profit and charitable organisations.

One by one, the participation of BROWNS students creates profound change for a range of issues and organisations supported by the BROWNS Elevate Initiative.

Management Commitment

BROWNS endorses corporate social responsibility and seeks to have minimal environmental impact.

BROWNS School Founder, Richard Brown has long supported the provision of English Language Teaching to refugees in Brisbane and on the Gold Coast. Full-tuition BROWNS scholarships are made available each year to refugees and humanitarian entrants without any financial assistance from the Australian government. Over 125 scholarships have been awarded to date.

Recycling & Waste Reduction

BROWNS has taken significant steps to reduce its waste by:

- ensuring school recycling bins are available and accessible
- printing information only when necessary
- moving towards double-sided copying
- sourcing and using recycled, unbleached, 100% post-consumer paper for printed materials when possible
- implementing a virtually paperless administration system
- conducting student English level placement tests online
- donating old computers and mobile phones.

Carbon Emissions and Energy Consumption

Management and staff are further working to reduce energy usage by:

- installing energy efficient lighting, including open plan offices and meeting rooms
- minimising after hours air-conditioning use
- smart-blinds to minimise energy used in cooling and heating
- installing multi-purpose devices to reduce the number of appliances used and disposed
- encouraging staff to switch off appliances and equipment when not in use
- using energy efficient appliances.

School Design

BROWNS campuses have been constructed under the guidelines of environmentally sustainable design principles. Specifically, in relation to the:

- fit-out materials
- lighting and signage
- equipment, including water fixtures
- fittings
- waste management.

Commuting

BROWNS has a strong health and fitness culture and seeks to provide its people with facilities that allow them to walk or cycle to work. The school has installed bicycle racks at its Gold Coast campus and in Brisbane makes sponsored CityCycle passes available to staff and visitors free-of-charge.

- If you do not have verifiable English test results and are applying for an Academic English program, take the BROWNS Online Placement Test at www.brownsenglish.edu.au/bopt

3. Receive your Offer

- Your application will be reviewed and, if complete, a Letter of Offer issued within 24 hours
- If you have applied for an Academic English course at BROWNS, such as EAP, we may offer you the opportunity to take a placement test to customise your pathway with us.

4. Accept your Offer

- Read the Terms and Conditions of your offer, and sign and return the Offer Acceptance
- Make full payment via credit card or bank transfer and include your student number, as specified on your Letter of Offer, as your payment reference
- Receive a confirmation of enrolment from BROWNS

5. Prepare to come to Australia

- If you need a visa, ensure you submit your application with the Australian Department of Immigration and Border Protection
- Provide your flight details to BROWNS as soon as possible and at least two weeks before arriving in Australia
- Read through the BROWNS website and understand your new school and host city
- Received all your details from BROWNS, including your airport pick-up emergency phone number, accommodation details, school details and first day orientation information.

We wish you a safe journey and look forward to meeting you.

BROWNS Family

BROWNS English Language School and the Australian Government want international students in Australia to have a safe, enjoyable and rewarding place to study. Australia's laws promote quality education and consumer protection for international students. These laws are known as the ESOS framework and they include the Education Services for Overseas Students (ESOS) Act 2000 and National Code 2007.
